FOR YOUR MEMBERS
END OF YEAR OUTINGS / BREAK UP PARTIES /
TEAM BUILDING / EXPEDITIONS / TOURS**

- **Have you considered kayaking as a social outing? No prior experience is required!**

What we offer:

Pacific Coast Kayaks can offer a fun and unique experience to boost morale and build relationships amongst your members.

Sea kayaking is ideal as we can carry food and refreshments to a new location. We can use kayaks in combination with other activities such as fishing or snorkelling or gathering kai moana. One group even used our kayaks to search for surf!!

- Our double kayaks are safe, stable and easy to paddle.
- We have single kayaks for those with some experience.
- All gear is provided and delivered to your selected location.

Participants will enjoy exploring our wonderful coastal areas and build up an appetite for the usual BBQ or lunch afterwards.

- **To reduce costs and save time this is all available locally.** Around Whangarei we have the inner and outer Harbour, Pataua/Taiharuru, Ngunguru-Goat Island, Tutukaka coast or harbour for a start. If you have more time we can travel further north.
